Overview

| Preloaded Maps | TopoActive with routable roads/trails |

Thousands of searchable points of interest such as parks, campgrounds, restaurants, and accommodations.

Supports paperless geocaching, enabling you to upload and view GPX files from Geocaching.com.

Features for outdoor recreation, including point-to-point navigation, area calculation, and sun/moon information.

With its rugged build, preloaded maps, and excellent satellite coverage, the eTrex 22x provides reliable navigation for adventurers on the move. Whether you're exploring off-road trails, geocaching, or boating, this device ensures you stay oriented and informed every step of the way.
